In 2016, it went to the South of Italy (Campania and Rome), with its work *Around the World*, finding remarkable success. It also took part in the National premiere of the works by Maestro Pierangelo Valtinoni: *Regina delle Nevi* and *Il Mago di Oz*.

Among the latest, most important awards, we remember the 3rd place and the special prize for the best choreography at the National Context « Il Garda in Coro » in 2017 (here the conductor received a special prize for the best conductor). In 2018, it won the First Prize at the 52nd National Context in Vittorio Veneto and the Special Prize for the best choir of Veneto.

Since October 2004, in collaboration with the Department of Entertainment, the choir has organized "CANTICORO - Choral Music in Bassano", an event that every year aims to accommodate and host some local choirs alongside important international guests. Besides, for over 5 years, it has collaborated from an organizational point of view to the realization of the choral Meeting for children choirs promoted in Bassano by ASAC Veneto. For its qualified training, cultural and social activities, it received the prestigious prize « Premio S. Bassano 2019 ».

Since its foundation the group has been directed by **Cinzia Zanon**.
